# Emily's Letter to Santa Claus

Dear Santa Claus,

I hope you are doing well in the North Pole! My name is Emily, and I have been trying my best to be a good girl this year. Christmas is coming soon, and I am so excited!

Santa, this year, I have a special request. I would really love to have a new bicycle. My old one is getting too small for me, and it's not as much fun to ride anymore. I love going outside to play with my friends, and having a new bicycle would make it even more enjoyable. I can imagine all the adventures we'll have together!

I promise to take good care of the new bicycle and always wear my helmet when riding it. I will also share it with my friends and let them ride it too.

Thank you, Santa, for listening to my wish. I will leave some milk and cookies for you on Christmas Eve, just like we do every year. I can't wait for Christmas morning to see if you've granted my wish. Please give my love to the reindeer and Mrs. Claus!

Merry Christmas, Santa!

Love,

Emily
