Jordan's School Bus

Hi, My name is Jordan.

I like to go to school in my school bus .

The bus picks me at 7 AM.

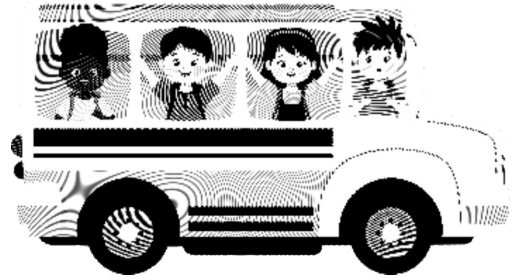

I like to sit with my friends and talk to them .

Our bus driver plays music for us and we all enjoy it.

The bus drops us home after school.

I say goodbye to my friends until the next day.

I am grateful to my school bus driver who takes care of us everyday.
