Name-----

Once upon a sunny morning, Zaid woke up with excitement in his heart. Today was a special day because he was going fishing with his dad. They had been planning this fishing trip for weeks, and Zaid could hardly contain his happiness. He quickly got ready, grabbed his fishing hat, and rushed to the car.

When they reached the lake, the water sparkled like diamonds in the sunlight. Zaid's dad set up the fishing rods and taught him how to bait the hook. With a big smile, Zaid cast his line into the water and waited patiently.
