Faiz's Fishing Day

One sunny morning, Faiz went to the lake with his dad. He carried a small fishing rod and a red tackle box. Faiz was excited because it was his first time fishing. He sat on a big rock and waited quietly.

After a while, he felt a tug on his line. He pulled it up and saw a shiny fish! Faiz smiled and showed it to his dad. They took a picture and then let the fish go back into the water. Faiz couldn't wait to go fishing again.
