

Name:

A Magic Pear Tree

One morning, Ali woke up and saw something strange in his backyard. A small tree had appeared overnight! It had shiny green leaves and sparkled in the sun. Every day, the tree grew taller. After a week, tiny pears started growing on it. The pears glowed like gold! Ali picked one and took a bite – it was the sweetest fruit he had ever tasted. From then on, the tree gave a new pear each day like magic.

Answer the following questions.

1-What did Ali find in his backyard?

2. What did the tree look like?

3. What started growing on the tree after a week?

4. What did Ali do with the pear?

5. What makes this tree magical?
