St. Patrick's Day

St. Patrick's Day is a special holiday celebrated on March 17th. It honors St. Patrick, the patron saint of Ireland. On this day, people wear green clothes and decorate with shamrocks, which are small plants with three leaves. The color green and shamrocks are important symbols of the day.

People celebrate by having parades, eating special foods like corned beef and cabbage, and looking for a pot of gold at the end of a rainbow! Some also enjoy Irish music and dancing the Irish jig. St. Patrick's Day is a fun time to celebrate with family and friends!
