The Magic Paintbrush

Lily loved to draw and paint. One day, she found an old paintbrush in her grandma's attic. It looked special. That night, Lily painted a bird and it flew off the paper! The brush was magic! She painted a rainbow, and it lit up her room. Lily used the brush to help others too. She painted warm coats for kids and food for a hungry dog. The paintbrush made everyone so happy.

Fill in the Blanks

1. Lily found the paintbrush in her _____.
